Invitation

# Onco-Summit 2024

Thursday, October 24<sup>th</sup>, 2024 | 17.00–19.30h followed by an Apéro  
Location: Basel University Hospital | Auditorium 1, 2<sup>nd</sup> Floor | Klinikum 1/B2

## Dear colleagues

We are pleased to invite you to the «**Onco-Summit 2024**». The latest scientific results on research, diagnostics and therapy of gynecological forms of cancer will be presented to you.

We are honored that several expert colleagues have agreed to provide us with a **compact overview of the current practice-relevant study results, scientific data and guidelines in the field of gynecological oncology**.

The continuing education will take place as a hybrid event, so that you can participate both on-site and virtually (via live stream).

Take advantage of this opportunity **to learn more about gynecological oncology in Switzerland!** We look forward to your participation and discussion-rich educational evening.

Kind regards

**Prof. Christian Kurzeder**  
Basel, Chair of the event

**Prof. Viola Heinzelmänn-Schwarz**  
Basel, Chair of the event
